## PSC Sponsorship and Advertising Program Spring 2015 Season

The Paola Soccer Club (PSC) is a non-profit organization striving to provide quality soccer opportunities for minimal cost to our members. Boys and girls between the ages of 4 to 14 participate in soccer programs offered by PSC. These players currently compete in games at the Paola Soccer Complex in the spring and fall seasons. Additionally, we have games with out of town teams which all but one or two are held at these fields, involving out of town visitors. Those one or two games are held in a town(s) in the surrounding community.

Through our sponsorship program, you or your company's contribution can help keep costs of participation to a minimum and expand other PSC programs and activities. Registration costs for Players are lower than most other recreational sports programs in Paola due to generosity of sponsors and dedication of our volunteers. We are focusing on current sponsorship and fundraising efforts to ensure everyone can afford to play soccer in Paola.
